Connecting People

## Kia Ora, hello and Haere Mai

The focus of our services is to provide support for those who have moved here recently. Many years of experience show us that this works best if we can introduce newcomers to a **vibrant network** of diverse community members and a **range of interesting things to do**. A recent study undertaken by Development West Coast shows that attracting people to the West Coast and **retaining** them here is the **number 1 priority** of local business owners. We are delighted to read this as we aim for the same 😊 This is what our newsletter is about – providing useful local information and encouraging people to **make good contacts** which will help to develop friendships and feel at home. The vast majority of our group members have moved to the West Coast because they or their spouses have found work here. Whilst some newcomers thoroughly enjoy the quieter life and beautiful scenery, others suffer from different grades of **culture-shock** - especially when they have moved from a 'small' Asian city where they were used to sharing modern urban lifestyle with a few million others...

What proves to be most challenging for all newcomers is the **distance** from their family members and friends.

To settle in successfully and **stay** on the West Coast, it is crucial to develop a new social network, make some **stable and supportive connections** and turn your friends into your 'new' family.... A bit like the Maori concept of WHANAU (= **extended family**).

A recent study by Oxford University adds to this: **mixing with a diverse range of people is good for us**: it can reduce anxiety, stimulates creativity and helps us to develop positive attitudes and empathy.

The **New Coasters group** provides all of this – we listen to each other, we celebrate and spend quality time together, we grow, we share food & fun and we certainly are a very diverse bunch of people 😊

I look forward to having more conversations about what we can do together to encourage people to stay on the West Coast!

Become friends with people  
who aren't your age. Hang out with  
people whose first language isn't the  
same as yours. Get to know someone who  
doesn't come from your social class.  
This is how you see the world.  
This is how you grow.

## Welcome Newcomers!

We are an informal social network which supports people in Greymouth, Hokitika and surrounding areas. 'Newcomers' can help you get in touch with others, meet local people, find out about clubs & organisations and help you feel at home in your new environment. Please feel free to come along to our activities or contact us.

# NEWS FROM THE HEADQUARTER

## Meet the team...

Wednesdays are usually the busy-buzzy days at our 'HQ' in Albert Street. We catch up with each other, hatch plans for projects and activities, deal with paperwork and make sure everything is on track. Here is a wee introduction to let you know about our tasks and responsibilities and who to contact:

"Hi. I'm Shelley. I hide in the office where I am in charge! I do administration and finances. If you've got a money related question - try me!" [shelley@newcoasters.co.nz](mailto:shelley@newcoasters.co.nz)

"Hello, I'm Birte. As the Settling In Coordinator I organise most of our social activities and often 'float around' the local communities to be in contact with newcomers & migrants and to ensure we are well connected. Contact me if you have any questions or suggestions about things to do." [birte@newcoasters.co.nz](mailto:birte@newcoasters.co.nz)

"My name is Cassandra. I come from Westport. I've been involved with New Coasters for about two years doing different things... My role involves Funding, Policies, Venue and Volunteers... I love working together on projects so come on down on Tues or wed if you're keen to get involved!" [cassandra@core.org.nz](mailto:cassandra@core.org.nz)

## Some formal stuff...

Did you know that our multicultural social network New Coasters is officially registered as an Incorporated Society? Well, I suppose we need to have some kind of legal status 😊... And did you know that EVERYONE can become a member of our group? So, if you have filled in our **membership form** (see photo) – great! **If not, please get in touch and fill one in soon.** We want to update our database before the next AGM in July so we can produce some interesting statistics for our annual reports... Thank you very much!

## Where are we heading...

You might remember reading about **COMMUNITY CONNECTEDNESS** and **PARTICIPATION – COLLABORATION – INNOVATION** in our last newsletter. We want to walk the talk and incorporate those values into our discussions about the future direction of New Coasters. Our **next AGM will be on July 6<sup>th</sup>** and we are also going to have **Strategic Planning sessions**. As a member of New Coasters, you are most welcome to join in and become more involved!

## Time Bank West Coast

The Time Bank initiative is a great opportunity to make a better use of the various skills our community members have. It will also help to connect people & increase our resilience. It seems like quite a few people aren't aware of the potential benefits yet. Help us to spread the word and get in touch with the organisers! Email Sönke Struve [soenkestruve@gmail.com](mailto:soenkestruve@gmail.com) or become a member to swap and share your time and skills: <https://hourworld.org/bank/Join.php?hw=1804>

## West Coast Migrant connections update

We started our new 'Migrant-meetups' with some interesting discussions and I think there is great potential for a range of diverse and vibrant activities in the future! We have already been in touch with members of different ethnic groups and are we planning to **organise a range of different events to celebrate our diversity**. So far, we have talked about international movies (in cooperation with local movie theatres), international FOOD (cooking and eating!) and other culture-focussed ideas. Our annual **Midwinter Celebration** will have a theme of 'Flags' – wear the colours of your (favourite) flags and more...

Birte is developing a range of ideas for **Cross-cultural competence trainings** and appreciates any ideas, suggestions and further involvement of other migrants – get in touch with her to share your thoughts...

We are also updating all our **contacts of new AND established migrants** on the Coast –let us know if you are happy to be a contact person for a specific ethnicity and/or know others we could approach.

Last but not least - we will cooperate with Westland District Council to organise a **Multicultural Festival in Hokitika (Westland) in spring 2018!** This will hopefully include a range of performances, music, food and much more. Make sure you start rehearsing and once again – get in touch to get involved!! **Or come along to one of our next meet-ups:**

**Friday 11<sup>th</sup> May 6pm in Greymouth**

**Friday 22<sup>nd</sup> June 6pm in Hokitika**

### WHAT ELSE IS HAPPENING:

Housing is an ongoing issue on the West Coast – many newcomers find it rather challenging to find somewhere suitable to live. Please always let us know if you are aware of any **rental property** that's available – from a simple bedroom to a big house...

**DYI** is a popular 'Kiwi' thing to do. **Crafting in company can be very inspiring and it's also a fun way of spending time with others.**

New Coasters has organised a range of craft events so far. We are generating further interest to set up **regular craft meetings** for like-minded people and also collect information about existing groups:

- Which kind of crafts are you interested in?
- Which times are good for you to meet?
- Which groups do you know about?
- Could you help to organise regular gatherings?

We look forward to hearing your thoughts!

Mahjong is often rated as one of the best strategy games. It originated in China, but, is now enjoyed all over the world. Not only is it fun to play Mahjong, but it is also great for your brain! **A new Mahjong group meets in Hokitika – every Monday at 1pm at the Grey Power rooms.** Contact Jean to find out more: 03 7558807

Do you know anyone who can **play the bagpipe** (or other instruments) and would like to play at the Lantern Parade in Hokitika? Please get in touch with Ingrid: 0274347509

Do you like to **play board games**? Check out the **regular games night at Greymouth's RSA** (Tainui st). They meet Wednesdays from 7pm. Bring your favourite board game along & maybe a friend or two... Contact Nell to find out more: 027 334 2585

Are you or your kids interested in **Bollywood style dancing**? Please get in touch with Shah Pranay as he is looking to organise some lessons/ dance workshops for his daughter: 027 7066402. And it would be great to form a group...
